

# COVID-19

## Response of EU Justice and Home Affairs (JHA) agencies

### Supporting Member States and EU institutions to:

- ▶ meet the operational challenges during the COVID-19 pandemic;
- ▶ gather expertise and provide analyses; and
- ▶ foster dialogue and learning between key stakeholders.

# COVID-19 RESPONSE

## Summary of main actions taken by EU Justice and Home Affairs (JHA) agencies

During the pandemic, JHA agencies have supported Member States and EU institutions in ...

	MEET OPERATIONAL CHALLENGES	GATHER EXPERTISE AND ANALYSIS	FOSTER DIALOGUE AND LEARNING
<p><b>Promoting and protecting fundamental rights and gender equality</b></p> 	<p>Immediate support to stakeholders by establishing a dedicated webpage with <b>statistics</b> and EIGE's resources to highlight the <b>different realities women and men are facing in light of the COVID-19 pandemic</b> (EIGE)</p> <p>Association with the <b>EAW coordination group</b> initiated by the Commission to facilitate exchanges of information in case of urgent need (e.g. COVID-19, ECJ rulings ...) (Eurojust, FRA)</p>	<p>Study on the implications of COVID-19 for <b>women victims of intimate partner violence</b> (EIGE)</p> <p><b>Analysis of the economic impacts of COVID-19 from a gender perspective</b> (EIGE)</p> <p><b>Monthly bulletins</b> (April-July 2020) on the impact of COVID-19 pandemic on fundamental rights across the 27 EU Member States - in different areas of daily life, including work, education, travel and the judicial system. In addition to declarations of states of emergency, the bulletins look at certain population groups disproportionately affected by the pandemic, such as people with disabilities, older people, detainees, homeless people and victims of domestic violence; at issues such as xenophobic speech, harassment and violent attacks, disinformation and fake news relating to the virus; <u>Bulletin 2</u> had a special focus on <b>contact tracing apps</b>; <u>Bulletin 3</u> had a special focus on the</p>	<p><b>Online public debate</b> on fair technologies to safeguard public health, drawing from FRA's Fundamental Rights Survey data and monthly bulletin on the impact of COVID-19 and contributions to public hearings of the European Parliament on the topic (FRA)</p> <p>Joint statement calling on the EU and Member States to bolster <b>measures to protect victims of domestic violence</b> (FRA and EIGE)</p> <p><b>'Stories of hope'</b> on social media from civil society partners, showing how they give essential support to at risk communities affected by the COVID-19 pandemic (FRA)</p>
