

RESULTS OF THE PROJECT

The key result of the project is the creation, testing and promotion in the enterprise sector of a new professional role, known as the "Intercultural Mediator"

IO1: „PROFILE, SELECTION RULES AND IMPLEMENTATION OF THE MEDIATOR“

The first result is the creation of formal and substantive foundations that enable the actual emergence and implementation of a new professional role - Intercultural Mediator

IO2: „PROMOTING THE NEW ROLE AND ACTION PLAN FOR PROCESS OF IMPLEMENTATION“

The second result is to create solutions that enable promoting a new role among key stakeholder groups and to prepare a clear set of guidelines that allow to prepare for the implementation of a new role

IO3: „DEVELOPMENT OF SYLLABUS, HANDBOOK AND TOOLBOX FOR INTERCULTURAL MEDIATOR“

The third result is to develop an innovative development path/program and provide Mediator with tools and solutions (handbook, toolbox) that will allow him/her to effectively perform a new role. Thanks to the development program, Mediator will obtain or develop the qualifications necessary to perform its new role.

ABOUT THE PROJECT

„Intercultural Mediation: a Professional Role Connecting Sectors“ is a project carried out during 26 months, between 2020-11-01 and 31-10-2022, co-financed by the European Commission through the Erasmus +. Intercultural Mediation is an internationally recognised tool for overcoming the barriers to key services such as health, social protection, education, justice and law enforcement, very often experienced by people from minority ethnic backgrounds.

OBJECTIVES OF THE PROJECT

The main objective of the project is to share and further refine and customise, the learning, training and practice of Intercultural Mediation which has already been developed by the lead partner, Culture Connect, with four other EU partners by:

- ◆ Customising the methodology to the particular country and organization, to the culture and needs of each partner;
- ◆ Delivering training programmes in Intercultural Mediation to a small number of participants from minority ethnic backgrounds in each partner country.
- ◆ Evaluating the effectiveness of ICM in a range of services, educational institutions and places of employment

- ◆ Devise and publish a web-based Guide to Training and Guidelines for Best Practice in Intercultural Mediation
- ◆ Developing an internationally recognized certification system for the training.
- ◆ Creating, promote and test a new standard for a professional role of Intercultural Mediator within each partner country
